Boarncruiser 1360 Elegance

The Boarncruiser 1360 Elegance provides a tremendous living feeling at (almost) one level.

The steep bow gives the Boarncruiser “Elegance” more inner space and an extra large waterline which results in better navigation capacities and a maximum of performance. Because of the large windows, high above the waterline, there is almost a 360 degree views.

Specification

Lengte	12-15
Materiaal	Aluminium
