

# Almkotter 16.70 AK

This heavy built touring boat takes you to the Mediterranean without bunkering (the range of the fuel supply is 2000 nautical miles). Plate thickness of the hull is 6 mm, the superstructure 4 mm. The ship has a double-hull tympanum with a deep fore-bow, spitsgat stern with a long continuous firm keel. In addition to a fixed wheelhouse with a comfortable aft deck, this ship provides space for a spacious saloon with split-level galley + dinette. In the aft cabin is a spacious owner's cabin with its own wet cell and in the bow 2 guest cabins with a 2nd wet cell. Great for long trips or permanent residence. Layout, interior, upholstery and painting entirely according to your wishes. Optional with 1 or 2 motors.
