

Almtrawler 16.00 AD

The 1600 AD is the largest of the “small” trawlers, for which in fact the same goes as for the 13.20. This model – always adapted to the period - has been built for years and that is why you will find it in all the farthest corners of the world. In short a universal, strong and robust yacht with lots of space.

Specification

Lengte	15-18
Materiaal	Steel
Lengte scheepsromp	16m
Inhoud watertank	1.400l
