

Boarncruiser 44 Elegance AC

Who doesn't like a sunny day on the water. But when the sun is gone, you want the comfort you are used to at home. This is why we designed the Elegance AC!

This modern Boarncruiser Elegance 44 AC is a true space wonder! The very spacious and extremely efficient layout with 3 cabins and 6 fixed berths in combination with the compact size 13.23 x 4.36 x 1.15m ensures that you can sail in all waters.

The absolute highlights of Boarncruiser Elegance 44 AC are the many sleeping possibilities for her length (6+2), combined with 2 spacious wet rooms and the large kitchen which can be fully equipped with a wide choice of kitchen equipment. There is room for a washer/dryer combination and there is also a service door from the aft cabin to the engine room.

Would you like a different layout; for example a smaller dinette or a different saloon bench? No problem! Please contact us for the possibilities!

Specification

Lengte	12-15
Materiaal	Steel
